

WINTER ARTS CAMP

2022

The Dragons of Melodia

The magical dragons of Melodia have been captured. Only a plucky team of adventurers can find them and set them free!

Join us for a unique, four-day musical adventure, based on popular role-playing games like Dungeons and Dragons. Students will choose and create their own characters, then work together to solve puzzles, answer riddles, sing spells and rescue dragons. Challenges will incorporate elements of music theory, acting improvisation, creative movement and the visual arts. The week will end with a victory celebration.
